

Sonia & Walter Malysa
Dream Vacation
in honour of their 50th Wedding Anniversary

For as long as we can remember, they have been talking about their dream vacation in Hawaii. The family has decided that on this special occasion we can give them this dream.

We would kindly ask that in lieu of a gift, please make a contribution by cheque payable to Cathy Zathey or STS Travel included with your R.S.V.P or visit www.ststravel.ca/honeymoons_weddings.htm

Mom & Dad know about “The Anniversary Party” but not about the trip. Please do not mention anything to them before this event. Thank you.
